PICTURE GUIDE

1. BOHOL – TEACHER TRAINING FOR PSL
2. SAMAR DORM – RAISING PIGLETS
3. ZAMBO – PIGGERY EXTENSION (12+ PIGS)
4. ZAMBO – EDWIN'S CHICKEN HOUSE
5. ZAMBO – 1ST BATCH OF LAYING HENS AND VEGETABLES GROWING

Praise:

- 1) Successful 2 week intensive sign language training course for teachers on the nearby Island of Bohol. (Check out website: <http://www.ideadeaf.org/>). Doug was invited as guest instructor. An honorarium helped finance building projects in Zamboanguita (our home).
- 2) Sufficient water from rainfall the past few months.
- 3) Restful vacation for us both on the Island of Siquijor.
- 4) Piggery and Chicken buildings nearing completion.
- 5) Nearby new resort wants to purchase whatever the deaf can raise/grow on the property. Great first customer who is recommending us to his friends.

Prayer:

- 1) Projects are at a standstill due to lack of funding. Please pray the Lord brings in necessary funds in a timely way for completion.
- 2) Pray for the health of our 12 pigs and 80 chickens (23 chicks have died from respiratory problems). Pray for Edwin not to be discouraged with the learning curve on how to care for the growing hens.
- 3) Physical and spiritual health and strength – we have been fighting colds/fevers.
- 4) Pray for ½-time Visaya language study for Doug and more networking on behalf of the deaf.

Thanks for being part of our team!
