Meaningful Gifts, Transforming Lives!

Deaf Ministries International partners with Deaf Action in assisting deaf communities in developing countries to gain the education and life skills needed to overcome their disability and live productive lives. With your help we can break the cycle of poverty and discrimination by providing education, skills training and job opportunities like self-sustainable projects; and supportive social networks within these communities.

Why buy a gift?

It is encouraging to see the senior students who excel after many years of study and character development.

Biak Lian Mang (Lian) is the eldest of four boys. He grew up in a remote area of Myanmar. When he was young he enjoyed being the only deaf member of his family but, as he grew, he found that being deaf was very isolating. He found himself in a very lonely world. His friends rejected him, he had no education, he couldn't communicate and he didn't even know his own name.

Lian was 13 years old when he came to our Muir School for the Deaf in Kalay. From that point his life completely changed. He learnt to sign, he was looked after, he gained an education and he made friends.

Lian is the first student at our school (and only the second deaf person in all of Myanmar) to complete all six years of high school education.

Lian has now returned to Muir School for the Deaf as a teacher's assistant. He educates, encourages and empathises with the next generation of students who all have very similar stories to his.

By purchasing a gift, you will help us to continue this vital work, allowing us to provide an education and hope to deaf children around the world.

STUDENT SPONSORSHIP

Deaf Action's sponsorship program assists deaf children to attend schools in remote towns in Asia and Africa. AUD\$40 a month helps to cover costs of education, skills and moral training, which allows them to lead productive and fruitful lives. Programs range from kindergarten right through to College level. The schools also work with young adults who have missed out on schooling due to poverty or lack of opportunity. You can help by sponsoring a child in either Myanmar, the Philippines, Kenya or Uganda.
