## Introduction

The African Deaf Bible College (ADBC) is an educational institution designed to provide in-depth theological education to Deaf and signing people across Africa. Located in the Bugesera District, Eastern Province, Rwanda, it is scheduled to open in January, 2026.

In partnership with Deaf Ministries International (DMI) and other mission organisations, the College is designed to provide certificate, diploma and degree level programs for up to 350 students at any time - boarding and non-boarding - from all over the African continent who can, once graduated, return to their home countries to plant new churches for the Deaf or strengthen existing ones. Our goal is to see every Deaf person in Africa reached with the gospel of Jesus Christ.

# Message from the International Director

The opening of the African Deaf Bible College is a huge step in realising one of DMI's primary visions: to develop three seminaries for the Deaf on three continents. This has never been done before. By building seminaries for the Deaf in Africa, the Middle East/Europe and Asia, we will be poised to take the gospel of Jesus to Deaf people all around the world. This is so exciting.

DMI's organisational mission is to take the gospel, education and employment to the Deaf all over the globe. This College is at the heart of that mission. We are partnering with Deaf Action Ministries Rwanda (DAMR) to realise our vision for Africa. We have worked closely with DAMR for over a decade and have the utmost confidence

in their ability to lead students to excellence. It is our pleasure to partner with them and to invite others to join us in this work.

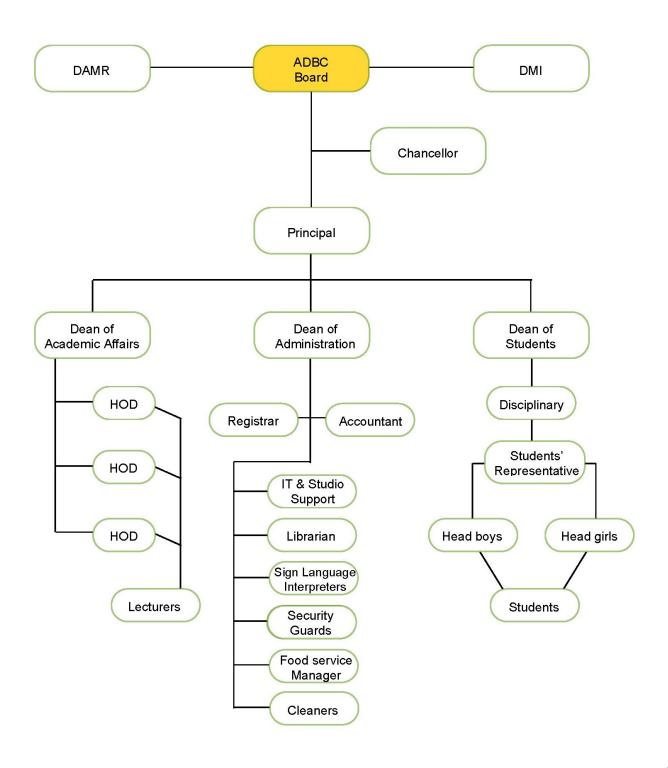

By providing students with certificate, diploma and degree level programs, we will be able to prepare the next generation of Deaf and signing leaders - pastors, evangelists, teachers and administrators - with a quality Christian education that will not only change lives but whole communities.

Whether you are a potential student, mission partner, staff member or supporter, you are welcome to join us here at the African Deaf Bible College and be a part of an amazing new chapter in missional life.
